STEPPIN' IN AT STEPPIN' OUT

Penthouse model Anju McIntyre is now the co-host of Chaunce Hayden's internet radio show, *Steppin' Out with Chaunce Hayden*. The former star of VH1's reality TV show *My Antonio* was a guest on Hayden's show, and the two hit it off so well she was offered the job as co-host the very next week. Hayden, infamous for feeding celebrity gossip through his magazine *Steppin' Out*, said he doesn't just like Anju for her beauty and sass, but also because she rolls with the punches. You can tune in to the show every Wednesday at 8 P.M. EST by visiting www.shovio.com.

ALL REVVED UP

December 1999 Pet of the Month Jacqueline Marie Phillips is still very hot . . . and still very active. The Sunshine State-based beauty made a personal appearance at the grand opening of WB Saloon and Cycles in Blanco, Texas, where she signed autographs and gave away assorted Penthouse goodies to lucky guests. "I'll never stop representing Penthouse," she assured us, "and I'll never stop being sexy." Thank goodness!

JADE'S TOY BOX

Jade Vixen was introduced to *Penthouse* readers in the March 2010 issue, and now fans can bring the super-sexy model home to be their love toy—kinda. Jade, who had molds of her pussy, ass, feet and hands made in the summer of 2010, is the latest luscious lady to be made into her own sex toy by Topco. "I'm so excited to be sold in stores everywhere," she told us. And we can't wait to bring you home, honey!

HITTING THE BEACH

Not only did Lela Star and Mckenzie Miles share the cover of the Summer issue of *Penthouse*, they also shared the spotlight at the re-opening of the Penthouse Club in Myrtle Beach, SC. Lela and Mckenzie got cozy during the event and later enjoyed having some laughs on ESPN Radio. "I like to watch the ladies of the Penthouse Clubs and compare dresses and boobs," said Lela, the spirited brunette, adding, "I'm having the best time!"

NIKKI'S NAUGHTY COMEDY SHOW

PHOTO COURTESY OF SAM TRIPOLI

Nikki Benz loves to goof around, and she recently treated fans in Phoenix, Arizona, to her sexy brand of humor when she co-hosted *The Naughty Show* with comedian and regular host Sam Tripoli. "We demonstrated the art of the fake orgasm," said Tripoli, who usually hosts *The Naughty Show* at California's famous Hollywood Improv club. "Nikki was a total pro!"

This year's annual Adult FriendFinder Affiliate Gathering took place in the beautiful Bahamas, where lucky affiliates were joined by Penthouse Pets Mckenzie Miles, Shay Laren, Phoenix Marie and Taya Parker. One of the attendees, Mike Jones, told us afterwards that he had an absolute ball with the Pets—particularly Taya, whom he first met at last year's gathering. "She's the total package of looks, brains and personality," he said. "She should open up a Penthouse Pet School for Girls." Sign us up!

GIRLS OF PENTHOUSE

What happens when an innocent, geeky college girl like Marie comes under the spell of a greasy, tattooed thug? Her cunt gets wet, his dick gets hard, and the two take it to the bedroom.

Once Marie's panties are gone, he finds out how sweet that wet cunt is. Once she's good and greased, Marie squats on his fat, hard dick.

“Take off your
panties, put on this
blindfold, and come
inside. You’ve been

When Jazmine says she's wet, she means it literally. There's nothing that turns on this brunette babe more than getting steamy in the shower.

"The best sex I've ever had was in the shower," Jazmine confessed, so it's no wonder she likes being shot there.

On the rare occasion she can't lure a lover under the water with her, she doesn't mind taking care of business for herself. "I know how to please a woman," she admits.

“I love seeing myself on film! I always go back and watch the movies I just filmed so I can make my next scenes even better.”

“I didn’t start doing double penetration until I was already in porn, but now it’s one of the best things after anal, which is definitely my favorite way to get off!”

| REBECA LINARES

“One of my favorite fantasies is me fucking a guy with a strap-on. I haven’t done it outside of porn, but it’s definitely on my to-do list!”

“As a porn star, I teach people about sex and show them that it’s a good, natural part of life. Porn can really enhance a relationship.”

THAT '80s PET

KRISTA PFLANZER

Our July 1986 Pet of the Month was a Chicago native who moved to Hollywood with \$300 and a dream. One of those dreams was answered when she became 1988 Pet of the Year Runner-Up. Even though she didn't get top honors, you can see by her photo that everyone came out a winner.

Relationships can be puzzling.
Lubricant shouldn't be.

Tingling for Her. *Hot* for Him.

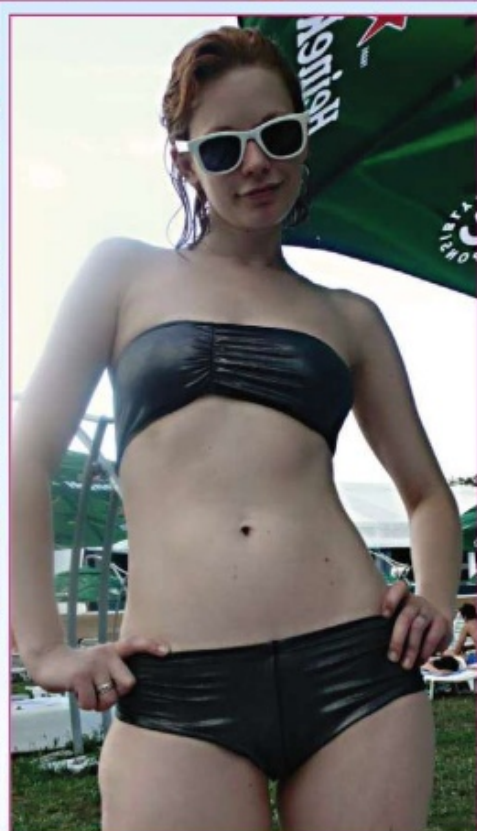

Easy. All in one puzzle-piece bottle.

Czeching In

The place was Prague. The Pets were Heather Vandeven, Justine Joli and Ryan Keely. And the occasion was filming for the second season of *Life on Top*, the Cinemax show based on the sizzling series of Penthouse books. Working on a film set is usually a case of hurry up and wait, and our girls found the best way to make use of their down time that we can think of.

| JADE HSU

Jade Princess

From the top of her head to the tip of her bush, Jade has everything it takes to keep men happy. And when this tattooed, pierced sex machine spreads her thin, soft thighs, you know that heaven awaits.

What could be more heavenly than sinking your tongue, or your fist, or your cock past those downy strips of fur and deep into that soft, pink cunt? The grateful look on her face when you bring her to climax.

| NINA DEVON

THE SWEETEST TABOO

If any girl can break down barriers, Nina Devon can. It's not enough for her to take a horny white lover between her thighs, she makes him start out rimming her sugar-sweet browneye. And lapping that bud is only the start of breaking all the rules.

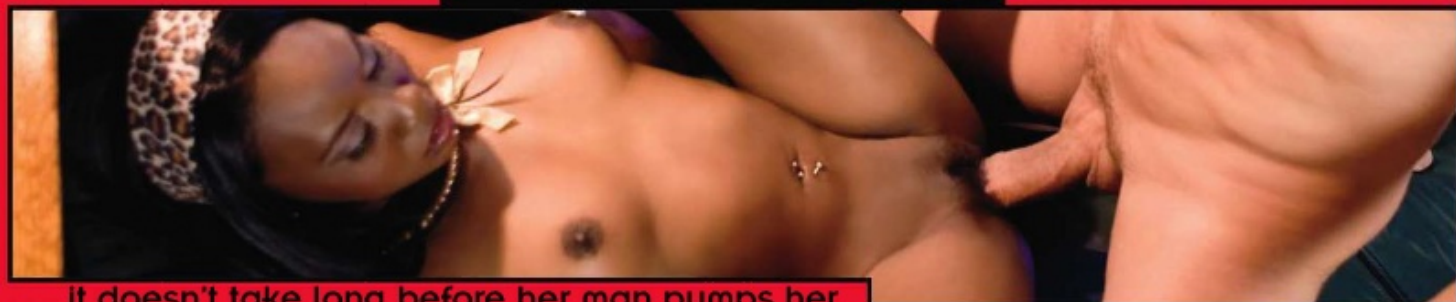

A taste of white cock is next on their dirty menu. Nina sucks his cock down like a good girl should, filling her throat with the tasty pink meat. When she sits her fine fat ass down . . .

... It doesn't take long before her man pumps her pussy the way she likes it. Watching his firm flesh between her thighs is too much for them to handle, and he glazes her belly with his white-hot scum.

VIDEO REVIEWS

SEXY SEDUCTIVE HOUSEWIVES

(Penthouse Features) Dir.: Randy Spears

Freshly anointed Penthouse Pet Breanne Benson gets a little on the side (well, make that a lot) from Randy Spears in a scene demonstrating one of the few reasons to jump the broom: hot and horny housewives. The intensely sexy India Summer does her best reverse Mrs. Robinson when she gets seduced by Rocco Reed in the disk's high point. While Reed is no Dustin Hoffman, *The Graduate* didn't show action like this, either! India takes things slow at first, then takes things deep, such as his tongue in her pussy and his cock in her mouth. Fine fantasy fodder for fans of married women and the men—aside from their husbands—who love them.

INSIDE THE BOOBY HATCH

(Penthouse Variations) Dir.: Cash Markman

A man would be crazy not to be obsessed with tits, and that's exactly what Randy Spears is—crazy and obsessed with tits—in this light-hearted story told through the memories of one such lactation-loving loon. Spears has the pleasure of banging the boobs of Penthouse Pet Audrey Bitoni, who works those tits almost as well as she works her mouth (it's maddeningly funny to watch a vet like Spears get head from this adorable little cock-sucker). Jewels Jade and Madelyn Marie also whip 'em out in two memorable scenes, Jade getting dirty in a shower while Madelyn helps a horny bra salesman bust a nut. If you're a big breast man, check this out. It's the tits.

ON CALL

(Penthouse Forum) Dir.: Cash Markman

Nothing beats sex in the great outdoors, as Juelz Ventura discovers in the best of these *Penthouse Forum* tales come to life. The combination of Dane Cross's reliable swordsmanship and Juelz's reciprocal sexual enthusiasm makes for a winner of a scene that pulls no punches, from her knees-in-the-dirt blowjob to his balls-in-the-wind comeshot. Danny Mountain gets his pipes cleaned as a plumber making the ultimate house call to foxy brunette Kiera King, and box cover girl Chloe Conrad shows her, well, appreciation to a pair of paramedics who come, well, to her rescue. A nice selection of vignettes presented in the style of the magazine that started it all.

SEX OBSESSED

(Penthouse Letters) Dir.: Cash Markman

Our 2009 Pet of the Year Runner-Up Shawna Lenée leads a strong cast in five tales of women who live to fuck. Shawna's scene, a girl-girler with Lexi Stone set in a hospital, finds her as a sexy angel of mercy who has the cure for what ails her: tender loving care that includes fingers, tongue and a beautiful bout of face-sitting. In our favorite coupling, drop-dead gorgeous Diana Doll hooks up with voyeuristic neighbor Evan Stone. He may go a little over the top in his acting, but his enthusiasm for fucking the lovely Diana is understandable—her female superior two-fisted BJ alone should convince you of that. Don't forget to check out sexy MILF India doing double duty with a pair of hot and hung studs, and Asian hottie Asa Akira in a threesome partnered with Nikki Sexx.

ALEKTRA BLUE

Left to her own devices, Alektra Blue knows how to get what she wants. Some fingers strumming her clit or rubbing her tits helps put her on the road to ecstasy.

Blue Mettle

Never known for limiting herself to one man—or one woman—she's always in control of her own erotic destiny, because this sister is truly doing it for herself.
